Substitute Stewards

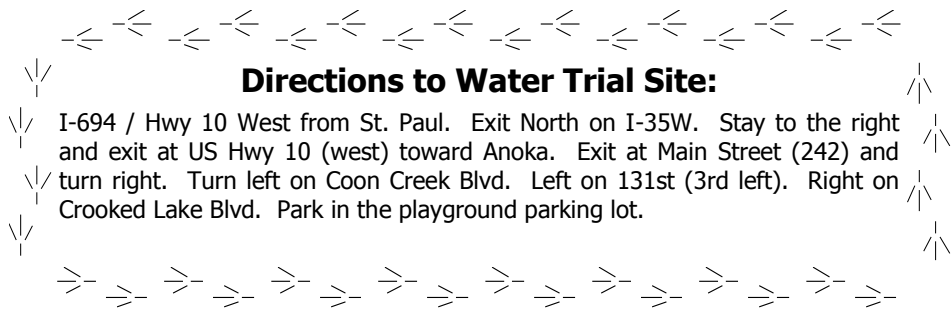

A Substitute Steward shall be any person designated by the handler to act in the capacity of Steward during the entirety of that handler's test, and is bound by the same rules as the official Trial Steward. A handler shall notify the Trial Secretary and the Judge of the Name(s) of any Substitute Steward(s) before the beginning of the test exercises.

If a handler elects to perform the trial exercises with the Substitute Steward, a handling error by the Substitute Steward may result in a failing score for the exercise in which the error was made.
